

Child-Sized Keyboard

Model KIDSKEY

1. Microsoft Office Hot Keys (left to right) Open Folder, Save File, Print, Cut, Copy, Paste, Rotate Window, Wakeup Screen, Sleep (Standby), Power Off
 2. Color-coded keys helps beginning computer learners identify and locate function (green), consonants (yellow), vowels (orange) and number (red) keys
 3. 85 keys formatted in standardized QWERTY layout
 4. Rugged ABS plastic for durability and school safety
 5. Connecting cord comes with USB plug and PS2 connector
- One year / 1 million click warranty for school use - unlike computer peripheral products purchased from consumer electronics stores whose warranties would be voided if used in schools

Help your beginning computer users become familiar with keyboard functions with this color-coded model. Durable enough to withstand daily classroom use, its QWERTY formatted layout and bright primary colors will help inspire interest and confidence.
